What is a Student-Parent-Teacher Compact?

We are committed to providing the best education possible for all our students. Our annual compact offers ways that we can work together to help student achievement.

The Student-Parent-Teacher Compact is made to:

- give every child the opportunity to his/her potential in intellectual, emotional and physical growth.
- combine the school, home and community to aide in the learning process and provide motivation towards a common goal.
- create a commitment to help each students progress in school, promoting his/her achievement.

The compact is **jointly developed** with the ideas shared by parents, teachers and staff. Parents are welcomed to provide feedback anytime. All feedback will be collected and reviewed during the annual revision meeting

There are many opportunities for parents to play a role in their child's education. Volunteering or coming to events supports student achievement. Here are some of those opportunities:

- Community Nights
- Grade Level Meetings
- Field Trips
- Special Visitor Days
- Career Day

Moore Elementary academic achievement goal is to meet or exceed the percentages from the district and state on all state assessments. Our academic focus areas are in literacy and numeracy.
